for Families**

# Handbook for Families 2023-24

## Welcome!

## Our Promise

Every student in the Stanwood-Camano School District is empowered to learn in an inclusive setting and is prepared for the future of their choice.

## About the Handbook

[Welcome to the 2023-24 school year in Stanwood-Camano School District.](#) There's a good chance that sometime during the year you will have a question about your child's education. On the pages that follow, we've attempted to provide information that should answer most of the questions that parents commonly ask about school. The

publication also contains directory information with telephone numbers if you need to get additional information. We hope you find the handbook to be a good resource.

## Stanwood-Camano School District [Strategic Plan 2022-2027](#)

### Message from the Superintendent

The Stanwood-Camano School District Strategic Plan serves as the compass for the Stanwood-Camano School District. The plan is the outcome of a collaboration among school district educators, families, community members, students,

businesses, and civic organizations.

Our Strategic Plan is an expression of our community's alignment on a common purpose, and a reaffirmation of **Our Promise**:

Every student in the Stanwood-Camano School District is **empowered to learn** in an inclusive setting and is **prepared for the future** of their choice.

Delivering on that Promise demands the sustained commitment of the entire community to the disciplined implementation of our plan. I am convinced that we will rise to that challenge!

Dr. Deborah Rumbaugh  
[Superintendent](#)

## Our Goals & Measures for Student Success

### Goal #1 Foundational Early Learning for Every Student:

Every student in preschool to Grade 3 will develop the social-emotional and academic competencies critical for their future growth and development

### Goals #2 Responsible, Engaged Critical Thinkers:

Every student will be a learner that is empowered to advocate for and pursue their own educational passions, and to address issues in collaborative and resourceful ways.

### Goal #3 Continuous Opportunity, Growth & Achievement for Every Student:

Every student will demonstrate continuous growth toward meeting academic, social-emotional, and behavioral goals, at a pace that eliminates opportunity and achievement gaps.

### Goal #4 Future-Ready Graduates

Every student will graduate from high school with the skills, experiences, and readiness to pursue the future of their choosing

## Parent Checklist

- EMERGENCY CONTACT INFORMATION** – Please provide your child’s school with your emergency contact information, your address and daytime phone number, as well as the phone numbers of two alternative emergency contacts. Please keep the information up to date. Your child’s school needs to be able to contact you quickly if your child becomes ill or is injured.
  
- IMMUNIZATION FORM** - Every student must have on file an [immunization form](#) that lists completed required immunizations before the first day of school.
  
- MEDICATION AUTHORIZATION FORM** – If your child must receive medication while at school, you need to complete a Medication Authorization Form. This form must be completed for both prescription and over-the-counter medications. If you want your child to carry and self-administer asthma or anaphylaxis medication (such as an inhaler and/or EpiPen) during school hours or during school-sponsored events, your child’s health care provider must sign a [Medication Authorization Form](#) and formulate a written care and treatment plan. The form is available in the school office or on the District’s website.
  
- NOTIFICATION OF LIFE –THREATENING CONDITIONS** – If your child has been diagnosed with a life-threatening condition (such as severe bee sting allergies, severe food allergies, severe or unstable asthma, Type 1 diabetes, or severe or uncontrollable seizures), [a medication or treatment order and an Emergency Care Plan](#) must be in place before your child can attend school.
  
- HEALTH CONCERNS** - Please contact your child’s [school nurse](#) if your child has health concerns or if there are changes in your child’s health status during the school year.
  
- FREE & REDUCED-PRICE SCHOOL MEALS APPLICATION** - The Stanwood-Camano School District participates in the National School Breakfast and Lunch programs. Free and reduced-price lunches are served to students whose families qualify under the federal eligibility guidelines. Applications are emailed or a notice is sent to each family’s home before the first day of school, are [available on the District website](#), or may be picked up at school sites. **Applications must be resubmitted each year.**

## Registering for School

[School Calendar](#)

You may [register your child](#) at

the local school they will be attending. To register your child, please have available verification of your child's date of birth, emergency contact names, telephone numbers, and an up-to-date immunization record; along with proof of residence. Kindergarten registration, which begins in March for the following school year, also can be done at your local elementary school. To be eligible for kindergarten, a child must be five years old on or before August 31. If you are interested in early entrance for your child, please call (360) 629-1237 for additional information.

If your child is enrolling in high school and is new to the district, please bring a transcript from his or her previous high school. For more information about school registration, call your local school and visit:

[Washington State Department of Health](#) for information about immunization requirements.

## Absences

State law requires that all juveniles between 8 years old and 18 years old attend school. (A child 6 or 7 years old also must attend school on a regular basis if they are enrolled in school.) The parent must notify the school as soon as possible when their child will be absent from school. Within two days of returning to class, the student must bring a note signed by the parent or guardian explaining the reason for the absence.

Under the [state truancy law](#), the [school is required to begin a truancy petition process](#), known as BECCA, not later than a student's **seventh unexcused absence within any month during the current school year, and not later than the fifteenth unexcused absence during the current school year**. If the district's attempts to substantially reduce a student's absences have not been successful and if the student is under the age of seventeen, the district will file a petition and supporting affidavit for a civil action in juvenile court. For more information, call your child's school.

## Transferring Schools

A parent can apply for "Attendance in Non-Service Area School" (in-district transfer) Please see the In [District Transfer](#) page on the district website. Approval depends on space and/or services available in the school or specific program. Variances require that the family provide transportation to and from school, are granted for one year, and must be applied for annually.

## Non-resident Students

Washington is an open-enrollment state. According to state law, all public schools are required to accept the admission of all students, even those who live outside of its school district boundary. Schools can deny admission only if admitting the student would cause the receiving school a financial hardship, such as adding to an already overcrowded school, or if the student had behavior or attendance issues at a previous school. Applicants for admission may obtain a Choice Transfer Request from their district home school or submit one online at [Choice Transfer Request](#)

## Late Start Wednesdays

Stanwood-Camano School District schools begin 1 hour and 20 minutes later than the regular start time [each Wednesday morning](#). This allows staff members time to work on their School Improvement Plan and participate in professional development to support student learning. The District does not provide supervision for students who arrive at school early on Late Start Wednesday mornings. Parents and guardians are responsible for finding appropriate childcare options and/or dropping their child off at school no earlier than 25 minutes before the start of school on Wednesday mornings.

Grades	Regular Days	Wednesday Late Start	Early-Release	Last Day of School
K - 5	9:00 AM to 3:30 PM	10:20 AM to 3:30 PM	9:00 AM to 12:00 PM	9:00 AM to 11:00 AM
6 - 12	7:40 AM to 2:10 PM	9:00 AM to 2:10 PM	7:40 AM to 10:40 AM	7:40 AM to 9:40 AM

### **Use of Computers and Technology**

The Stanwood-Camano School District provides students with access to networked services as well as to the Internet and some forms of electronic communication. Having access allows students to explore educational topics and conduct research to support student learning. Access to the school district's computer network is a privilege that comes with responsibilities for its appropriate use. It is important that users understand both the benefits of using technology and the potential risks.

The school district makes a concerted effort to prevent student access to objectionable material on the Internet. District computers use Internet filtering software that is continually updated and teachers supervise computer use to assure that students are accessing information that is educationally relevant.

If you have questions about your child's use of the Internet while at school, please contact your child's school. If you believe that your child should not have access to the Internet while at school, please notify your child's school.

### **Tobacco, Alcohol, and Drug Free Schools**

Under the Drug Free Schools and Communities Act, all Stanwood-Camano Schools must be totally free of unlawful drugs and alcohol. No one is allowed to possess, use or distribute such drugs or alcohol while at school or while taking part in school activities. In addition, State Law and Board Policy prohibit the use of tobacco products by anyone on public school property.

Disciplinary actions will be taken for drug, alcohol and tobacco violations. The law allows for discipline that may include prosecution for illegal acts, as well as suspension or expulsion for students. The district fully supports the Drug-Free Schools and Communities Act. It is expected that all students and employees will follow the regulations and policies prohibiting possession, use or distribution of drugs, alcohol and tobacco on school property or as a part of any school activity.

Services are available within this area for students who are involved with drugs or abusing alcohol. Resources can be found by contacting school staff or your family doctor.

## Going to school (continued)

### Harassment/Anti-bullying Statement

The district is committed to a safe and civil educational environment for all students, employees, parents/legal guardians, volunteers, and patrons that is free from harassment, intimidation, or bullying. Our district's core values include our commitment to value differences among people and treat one another with respect. Harassment, intimidation and bullying of students by other students, staff members, volunteers, parents or guardians is prohibited.

**The District** will provide students with strategies aimed at preventing harassment, intimidation, and bullying. In its efforts to educate students, the district will seek partnerships with families, law enforcement, and other community agencies.

**Interventions** will be designed to address the impact of harassment, intimidation, and bullying on the targeted student(s) and others impacted by the violation, to change the behavior of the perpetrator, and to restore a positive school climate. The district will consider the frequency of incidents, developmental age of the student, and severity of the conduct in determining intervention strategies. Interventions may include counseling, correcting behavior and discipline, to law enforcement referral.

**Retaliation is** prohibited against those who report or participate in an investigation of harassment, intimidation and bullying and will result in appropriate discipline. It is a violation of this policy to threaten or harm someone for reporting harassment, intimidation and bullying or participating in an investigation of such a report.

**Knowingly** reporting false allegations is prohibited. Students or employees will not be disciplined for making a report in good faith; however, persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

Stanwood-Camano Schools maintain a safe and secure learning environment for all students. In accordance with the Washington State RCW 28A.300.285 HIB, harassment, intimidation or bullying of students by another student, by a teacher, by a staff member, by a parent or by volunteers is prohibited according to district policy [3207](#) and procedure [3207P](#).

To report unresolved or persistent harassment you may contact an administrator, staff member or counselor at the targeted student's school site. You may also report using our district's tip reporting service, [Vector Alert](#) or contact the Stanwood-Camano Harassment/Intimidation/Bullying Officer Ryan Ovenell, 360-629-1200, or email at [rovenell@stanwood.wednet.edu](mailto:rovenell@stanwood.wednet.edu).

Harassment, intimidation, and bullying reporting forms are available on the district website: [HIB reporting form](#).

### Teacher Qualifications

The Elementary and Secondary Act (known as No Child Left Behind Act) requires that schools receiving Title 1 federal aid have instructors in all core academic areas who meet the federal definition of "highly qualified." Parents can request information about the qualifications of teachers by contacting their child's school.

# Transportation

## **Transportation Funding**

The revenue to fund transporting students to and from school is a combination of your levy dollars and State funding. The state determines its share of the funding through a process called STARS (Student Transportation Allocation Reporting System) based on the number of students riding the buses, how many buses we use, how far it is between the pickup point and the school, and numerous other data. The major factor for state funding is how many students are riding the bus, which is counted three times per year.

**Transportation emergency line (for snow, ice, and other bus delays)  
(360) 629-1224**

## **School Bus Stops**

Parents are able to access individual student transportation information online using Versatrans eLink. To learn more, click on the link: [Bus Routes](#). Students should wait at their designated bus stop at least five minutes before the published stop time for the stop. Bus drivers are instructed not to arrive at stops early and not to wait at stops for students who are not there.

## **Kindergarten Students Riding Bus**

Kindergarten students need to be met at the bus stop by a parent or guardian or another adult when they depart the bus. Alternatively, the kindergarten student may be released from the bus with an older sibling. Parents need to contact their bus driver if someone other than the parent will be meeting their kindergartner or if they should be released with an older sibling.

## **Bus Passes**

Students are allowed to depart the bus only at their assigned stop. Exceptions to this can only be made by pre-arrangement with a note from a parent delivered to the school office. The office will then write a bus pass\* to the bus driver allowing the student to get off at a different stop.

\*Bus passes will not be distributed to students on the last day of school.

## **Space Restrictions/Large Groups**

Due to limited seating on buses, large groups of friends planning to attend an after-school event or party together may not be allowed to all receive bus passes.

## **Rules of Conduct for Bus Riders**

- Students must obey the driver or any other staff member assigned to the bus.
- Students may only ride their assigned bus unless pre-arrangements have been made.
- Students are not allowed to depart the bus at any stop other than their assigned stop.
- Students must remain in the seat assigned by the driver.
- Students shall observe classroom conduct on the bus. Noise shall be kept to a minimum, and no obscene gestures.
- No smoking or ignition source of any kind on the bus.
- No eating or drinking on the bus, except when specifically authorized and supervised by an accompanying teacher, coach, school staff member or where a district medical plan states otherwise.
- Students shall not open windows without driver permission.
- Students must keep all body parts inside the bus at all times.
- Items prohibited from the bus include: sticks; breakable containers; weapons; skateboards; firearms; straps or pins protruding from clothing; and large, bulky items which cannot be held or placed on the floor between legs.

## **TRANSPORTATION (continued)**

- Books and other personal belongings must be kept out of the aisle and emergency doorways.
- No animals allowed except those providing assistance to disabled students.
- Students shall not sit in the driver's seat.
- Refrain from talking to the driver unless necessary.
- Students shall go directly to a seat upon loading the bus and remain properly seated at all times while on the bus (seated facing forward).
- Students must load and unload the bus in an orderly manner, no pushing or shoving.
- Students shall not cross the street behind the bus unless using a crosswalk or traffic signal.
- Students shall stand away from the roadway curb when any bus is approaching or leaving a stop.
- Students going to and from their bus stop where there are no sidewalks should walk on the left side of the road facing traffic. Students shall go directly home after leaving the bus.
- Students in school buses equipped with seat belts shall be required to wear them properly adjusted whenever the school bus is in motion.
- Students shall follow emergency exit drill procedures, instructed by drivers.
- Students shall not tamper with emergency doors or equipment.
- Parents of students identified causing damage to buses shall be charged with the cost of incurred damage.
- Student misconduct shall constitute sufficient reason for suspending transportation privileges.
- Laser pointers are not allowed on the bus. SCSD Policy #[6605](#) and procedures [6605P](#)

### **Behavior on the Bus**

Students are expected to demonstrate good behavior on school buses so the bus driver can concentrate on driving. A video camera case is mounted in most buses and may contain an operational camera to help monitor the behavior of bus riders. Transportation privileges can be revoked for students who repeatedly violate bus safety and behavior standards. Please see Board policy and procedures [6605](#) for behavior expectations for students riding the school bus and the "Rules of Conduct for Students Riding School Buses."

### **Transportation Requests**

Students who are out-of-district or out of their school service area must submit a form to the Transportation Office. Please contact the transportation office at 360-629-1229.

**For additional transportation information, including Snow Routes, Non-Traveled Roads / Inclement Weather, click [HERE](#).**

## If there is an emergency

### **Update Emergency Contact Numbers**

School staff may need to contact guardians if there is an emergency. The school needs the emergency contact information (address and daytime phone number) of each parent or guardian, as well as the phone numbers of two alternate emergency contacts. Be sure that your child's records are kept current. If any contact information changes, please notify your child's school.

### **Emergency Communications**

[Each school has a plan](#) for responding to emergencies and for providing information to parents. Please remember that communicating can become very difficult during urgent situations. Telephone service to your child's school, for example, may be interrupted.

In an emergency situation:

- Call the district's information line at (360) 629-1240.
- Check the District's website, [www.stanwood.wednet.edu](http://www.stanwood.wednet.edu) and the Public Schools Emergency Communications System, at [www.flashalert.net](http://www.flashalert.net) for updates.
- Tune into the local television and radio stations for news alerts.
- Be attuned to notifications from our automated phone and email system. (Ensure your primary contact phone number and email address are up to date.)

### **Emergency Preparedness**

Stanwood-Camano School District continues to take proactive measures to protect the safety of all our students and staff members. District representatives work closely with both Snohomish and Island County local emergency planning committees and emergency management teams, the groups that plan our community's responses to potential threats. Please click [HERE](#) for more information on the district's website on [Emergency Procedures](#) and [Tools for Families](#).

The school district and all schools have safety and security plans. The plans are designed with the help of local law enforcement, emergency management, and public health officials. These plans include procedures to respond to critical incidents, such as earthquakes or fire, and school system personnel practice these drills regularly. The actions taken during any type of emergency situation depend a great deal on the specifics of the incident. In any crisis situation, the school district follows direction from public safety officials as appropriate to ensure student safety. The ability to remain flexible is a key component of each school's plan and of district-wide preparations. If you have questions about your child or about your school's emergency preparedness, please contact your principal.

### **School Closures**

School may be delayed or canceled because of adverse weather conditions or other events. Bus routes may also be affected by unsafe travel conditions. Most of the local radio and television stations broadcast information about school closures. Updated school closure information will also be posted on the School District's website at [www.stanwood.wednet.edu](http://www.stanwood.wednet.edu) and on the Public Schools Emergency Communications System Website at <https://www.flashalert.net>, or can be found by calling the District's Information Line at (360) 629-1240 or Transportation Information Line at (360) 629-1224. If school is canceled, the school day will most likely be required to be made up later in the year. For more information about school closures and the decision to close schools, go to [www.stanwood.wednet.edu](http://www.stanwood.wednet.edu) for the [Emergency and Weather link](#).

## If there is an emergency (continued)

### **Parent/Student Reunification**

If weather or an emergency situation occurs that requires students to be picked up at a different time of day or at a different location than usual, parents will be contacted by the school and a process will be established so that parents can take their child home. We ask that parents please bring identification (such as a driver's license) to ensure student safety.

### **Emergency Conditions**

Changes in bus schedules or routes will only occur during severe weather or emergency conditions. If it becomes necessary to close the schools or to run on limited schedules for any reason, information will be broadcast through our automated notification system and on local radio and television stations.

You may also call the district's transportation information line at (360) 629-1224, go to [www.flashalert.net](http://www.flashalert.net), or check the district's website at [www.stanwood.wednet.edu](http://www.stanwood.wednet.edu) or Facebook or Twitter for urgent notifications. Alternative bus schedule information concerning changes in bus schedules and routes will be posted in the fall.

### **Reminders:**

- Our automated notification system will communicate any changes.
- Local radio and TV stations will announce any school cancellations or delay of starting times.
- If you hear NO announcements from our automated notification system or radio and TV stations, our schools are operating on the regular time schedule.

## Student Services

### Highly Capable Students

The [Highly Capable program in SCSD](#) is part of basic education and aims to enhance instructional opportunities for students who demonstrate a profound need for services. Students are selected for this opportunity by our highly capable committee. The committee takes into account recommendations from parents and teachers, universal screening data including scores on various standardized tests. Highly capable education in the Stanwood-Camano School District utilizes an accelerated and enhanced instructional design. Teaching strategies include an emphasis on problem solving, critical thinking, creativity and using technology. The instructional model varies depending on the grade of the student enrolled. Visit the Highly Capable Program page, or call (360) 629-1237 for more information.

### Saratoga School

[Saratoga School](#) is a **parent partnership program** that serves home-school students and families grades K-10. For information, contact Ryan Pike, Principal, or Monica McDaniel, Lead Teacher of Saratoga School, at (360) 629-1372.

### Educational Services for Homeless and Foster Youth

The District is committed to providing educational services to [unstably housed](#) and [foster youth](#) which are equal to all other enrolled students, and ensure that homeless and foster youth have equal opportunities to enroll in, attend, and be successful in school. Your child may qualify as homeless if you are:

- sharing housing with others due to loss of housing, economic hardship, or similar reasons.
- living in a motel, hotel, trailer park or camping grounds due to lack of alternative accommodations
- guardian for a child in temporary, emergency foster care

For more information, please click the following link: [Homeless Education](#).

If you think your child may qualify as homeless, please contact the district's liaison, Michele Kunzman at (360) 629-1392.

### Athletics and Activities

The high schools and middle schools offer a wide range of student activities and athletic opportunities. Contact your child's school for more information about school athletics and activities.

### Career and Technical Education

Career and Technical Education offers students in grades 7 through 12 an opportunity to explore their career interests, develop academic, leadership, and practical skills, and enables achievement of leadership skills in areas that are highly relevant to students and highly valued by employers and colleges in our region. Contact the Career and Technical Education (CTE) office at (360) 629-1313 or your school counselor for more information or visit [cte.stanwood.wednet.edu](http://cte.stanwood.wednet.edu) to learn more about our programs.

### Section 504

#### Notice of Nondiscrimination:

The Stanwood-Camano School District does not discriminate in employment, programs, or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or on the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. Inquiries regarding

## [Student Services \(continued\)](#)

compliance and/or grievance procedures may be directed to the District's Title IX/ Affirmative Action Officer and Civil Rights Compliance Coordinator, Christine Del Pozo [cdelpozo@stanwood.wednet.edu](mailto:cdelpozo@stanwood.wednet.edu), or the Section 504/American Disabilities Act Coordinator, Robert Hascall at [rhascall@stanwood.wednet.edu](mailto:rhascall@stanwood.wednet.edu), Stanwood-Camano School District, 26920 Pioneer Hwy, Stanwood, WA 98292. Telephone: (360) 629-1200.

### **Transitional Kindergarten**

Transitional Kindergarten (TK) is aimed at helping children who haven't accessed preschool prepare for kindergarten. TK is a free, full-day early entrance kindergarten program for children who will be 4 years old as of September 1. Students are eligible for the program if they have not had prior access to early learning experiences and/or have been identified through a screening process as being in need of additional preparation based on academic or social-emotional deficits to be successful in kindergarten in the following year. Click [HERE](#) for details.

### **Multilingual Language (MLL) Service**

The [Multilingual Language program](#) emphasizes English proficiency for students who speak a language other than English. For more information, call (360) 629-1236.

### **Alternative Education**

The Stanwood-Camano School District offers several options for students who seek an alternative to the traditional classroom setting. [Lincoln Academy](#) serves students in grades 7 and 8 and [Lincoln Hill High School](#) serves students in grades 9 through 12.

### **Title I Program**

Schools that have a free/reduced lunch percentage at or above the district average qualify for additional funding through a Title I federal grant. Funds may be used to support qualified struggling students in mathematics, reading, and writing. In the Stanwood-Camano School District, Title I funds are allocated to elementary schools. Four of our five elementary schools qualify for Title I federal funding this school year: Cedarhome, Elger Bay, Stanwood, and Twin City. If your child attends one of these schools, Title I information is available by contacting your child's school.

### **Special Services**

[Special education services](#) are available to students living within the school district, as required by federal law (Individuals with Disabilities Act and Section 504 of the Rehabilitation Act). Special needs are defined as concerns with hearing, vision, speech, language, health, learning, developmental delay, behavior management, intellectual disability, birth defects, orthopedic or spinal problems, autism, or other disabilities.

Each school has a team of educators and specialists who work with teachers and parents to assist children with special education services. A variety of services are provided for students between the ages of 3 and 21 who have been identified by the Special Services Team as needing support. Eligible children under 3 years of age may receive educational and therapy services through contracts with local agencies. For more information, call (360) 629-1236.

# Privacy Rights

## Releasing Student Information

Most information about our students is confidential and cannot be made public without consent of parents or guardians. However, the federal Family Educational Rights and Privacy Act ([FERPA](#)) permits a school district to release “directory information” about a student unless a parent or guardian chooses not to have it released. Requests for this type of information often come from the news media for news stories, sports articles, academic achievements, awards and special programs. There are also times when schools or the district may want to recognize students in newsletters and other district publications.

Directory Information includes a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. participation in officially recognized activities and sports, weight/height of members of athletic teams, grade in school, diplomas, honors, and awards received, and the most recent previous school attended by the student. This information is not released for commercial purposes, but can be released to provide educational, scholarship, vocational/occupational and/or military information, or to the news media or law enforcement. You have the right to withhold this information.

If you do not wish to have such information released, you must notify the school in writing. You can print, fill out, and submit to your child's school the [Restriction of Release of Directory Information](#) form posted on the District's website or pick up a copy of the form at your child's school.

## **Photographs**

Occasionally the school or district staff take photographs of students for use in district or school-produced materials (for example: annual yearbooks, newsletters, school or District Website, videos, or presentations, or for use in the news media). If you do not wish to have your child's photograph released, you must notify the school in writing. You can print and complete the [Restriction of Release of Directory Information](#) Form or get a copy from your child's school, write “no photographs” on the completed form and return to your child's school. This form must be renewed annually. Parents objecting to the release of their child's photograph should submit the form as soon as possible after the school year has begun.

## **Notification of Rights Under FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access. Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend their child's or their education record should write to the school principal, clearly identify the part of the record they want changed and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

## Privacy Rights (continued)

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer; specified officials for audit or evaluation purposes; appropriate parties in connection with financial aid to a student; organizations conducting certain studies for or on behalf of the school; accrediting organizations; to comply with judicial order or lawfully issued subpoena; appropriate officials in cases of health and safety emergencies; and state and local authorities within a juvenile justice system, pursuant to specific State law.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] to comply with the requirements of FERPA. **The name and address of the Office that administers FERPA is: Student Privacy Policy Office, U.S. Department of Education, 400 Maryland AvenueSW, Washington, DC 20202**

### **Release of Information Post-Secondary (college and military) Organizations**

The federal Elementary and Secondary Education Act, (ESEA) requires high schools under the ESEA to provide military recruiters, upon request, with the following information - names, addresses and telephone listings - unless parents have notified the school in writing

You can print the [Restriction of Release of Directory Information](#) form posted under Families/Forms on the district website or pick up a copy of the form at your child's school, fill it out and check the appropriate box under "High School" then submit it to your child's school. **This form must be submitted to the school and must be renewed annually.** Parents objecting to the release of their child's name should submit the form as soon as possible after the school year has begun.

### **Protection of Pupil Rights Amendment (PPRA) Notice**

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires the District to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self- incriminating, or demeaning behavior;
5. Critical appraisals of other individuals with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as those with lawyers, physicians, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

PPRA also concerns marketing surveys and other areas of student privacy, parental access to information, and the administration of certain physical examinations to minors. The rights under PPRA transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

## Your Child's Health

Your child should be kept home from school for the following symptoms:

- Cough (new, changed, or worsening); any cough that would be distracting to yourself or others
- Temperature 100 degrees or greater within the past 24 hours
- Vomiting or diarrhea within the past 24 hours
- Runny nose with drainage that is cloudy, yellow, or green
- Mucous or cloudy drainage from the eye or pink eye
- New crusty rash on face or around nose
- New body rash, especially with a fever or itching
- Sore throat, especially with fever or swollen glands in the neck
- Shortness of breath or difficulty breathing
- New loss of taste or smell

Neither staff nor students should attend school until symptoms are significantly resolving even with a mask.

### **Immunizations**

State law requires that every student have a [Certificate of Immunization Status \(CIS\)](#) form on file before the first day of school attendance. Forms and immunization requirements are available at each school, on the District's website under [Families & Students/Health](#) or from the Washington [State Department of Health](#).

### **Health Information**

The health information you provide at registration and throughout the year is shared with staff as necessary to benefit the health and safety of your student in our care. Please notify your child's school when there are changes in your child's health and when your emergency contact phone numbers change.

### **Health Screening**

Elementary and 7th grades are screened for vision and hearing acuity, according to state requirements. If a problem, sufficient to affect a student's learning is detected, a parent or guardian will be notified by the school nurse or speech and language pathologist and a referral for further evaluation may be suggested.

### **Food in the Classroom**

To help stop the spread of food-borne illness, the Snohomish Health District recommends that parents use caution when planning food events at school.

A list of healthy party ideas for parents and teachers, including non-food celebration ideas is available on the District's Food Service Website, [click here](#).

Classroom snacks brought by parents must be purchased from a store or through school food services with an ingredients list as recommended by Health Department Guidelines. Parents also should use caution in providing snacks that are a frequent allergen, such as peanuts, tree nuts and dairy products. Please check with your child's teacher to see if there are children in the classroom who have allergy-related restrictions. All foods are to be served with tongs, spatulas or gloved hands.

## Your Child's Health (continued)

### **Student Insurance**

The Stanwood-Camano School District is committed to the safety of our students; however, the District is not responsible for student accidents on District property unless the District is found to be negligent. For those families who may not already have health and accident insurance for their students, the Stanwood-Camano School District makes available Student Accident & Health Insurance, administered by Myers-Stevens & Toohey & Co., Inc. Information regarding this insurance coverage and its costs is available in your school's main office.

### **First Aid/Emergency Treatment**

The board recognizes that schools are responsible for providing first aid or emergency treatment in case of sudden illness or injury to a student. To that end, the board encourages school staff to become certified in first aid. Further medical attention in non-emergency cases is the responsibility of the parent or guardian. Schools will notify the parent or guardian of students who suffer injuries, illness or physical trauma at school or at any school-sponsored activity as soon as practicable.

The school nurse or staff member certified in first aid will determine whether the injury, illness or trauma is serious enough to warrant calling 911. Upon finding that it is not, either individual will provide appropriate first aid to the student consistent with their training. **Reminder: Please remember to keep your child's emergency contacts updated at their school.**

### **Medication at School**

Whenever possible, parents and health care providers are encouraged to work out a schedule to provide prescribed and over-the-counter medication administration that takes place outside of school hours. However, if a student must receive medication while at school, his or her parent or guardian must complete an [Authorization for Administration of Medication at School Form](#), which is available at each school or can be downloaded from the District's Internet site under [Families and Students/Health/Medication At School](#). A new authorization form is required each school year.

**All** prescription **and** over-the-counter medication must be supplied in the original, properly labeled container, and have the authorization form signed by both the parent/guardian **and** the prescribing provider. In accordance with district policy (3416), procedure (3416P) designated personnel will administer medications to students if the procedures have been completed.

### **Life-threatening Conditions**

State law requires that ALL children who have been diagnosed with a life-threatening condition must have a medication or treatment order and Emergency Care Plan in place before he or she can attend school. The law defines life-threatening condition as a "health condition that will put the child in danger of death during the school day if a medication or treatment order and a nursing plan are not in place." Examples of diagnosed life-threatening condition include severe bee sting allergies, severe food [allergies](#), severe or unstable asthma, diabetes, or severe or uncontrollable seizures.

The medication or treatment order for children with a life-threatening condition must be from the child's licensed health care provider. If a medication or treatment order is not provided for a child with a life-threatening condition, the administrator of the child's school is required to exclude the child until the medication or treatment order has been provided and an Emergency Care Plan is prepared. If your child has a life-threatening health condition that may require medical services to be performed at the school, it is vital to your child's safety that you notify the school. The necessary forms will be provided and a time will be arranged for you to meet with your child's school nurse to develop an Emergency Care Plan.

## Your Child's Health (continued)

Please contact your child's principal or school nurse if you have any questions about what to do concerning your child's life-threatening health condition.

### **Anaphylaxis or Asthma Medication**

If a parent wants his or her child to carry and self-administer asthma or anaphylaxis medication (such as an inhaler and/or EpiPen) during school hours or during school-sponsored events, state law requires that the child's health care provider complete and sign a [Medication Authorization Form](#) and formulate a written care plan. A Medication Authorization Form is available at your school or can be downloaded from the [School District's website](#). A Medication Authorization Form must be completed, dated, signed by the child's health care practitioner as well as by the child's parent or guardian, and submitted to the child's school before the student can carry an inhaler or epi-pen while at school.

### **Human Papillomavirus (HPV)**

The [Washington State Legislature requires](#) school districts to provide information regarding human papillomavirus (HPV) to help reduce cervical cancer rates in Washington.

HPV is a very common virus that is spread through genital contact. Some types can cause cervical cancer or genital warts. Both women and men can get HPV and easily spread it to others without knowing they have it. For more information on HPV, the vaccine, and cervical cancer visit Centers for Disease Control and Prevention <http://www.cdc.gov> or Washington State Department of Health <http://www.doh.wa.gov>.

### **HIV/AIDS Prevention**

[Washington State AIDS Omnibus Act](#) mandates that school districts instruct all 5th through 12th grade students on a unit of HIV/AIDS prevention education. Under the law, parents who wish to exclude their child from the HIV/AIDS instruction must first preview the instructional materials. Parents can preview that material during a meeting that is held in the fall each year. Notification of the time and place of that meeting will be posted on the school district's website and available at each school. For more information, call (360) 629-1237.

### **Integrated Pest Management and Asbestos Management Plan**

The following procedures are to be followed when any type of pesticide is to be applied near or on district grounds.

- Spraying will not occur when school is in session.
- Students, parents, and staff may be placed on a special registry by sending the Maintenance Manager a letter stating if and how they would like to be notified of any spraying.
- All spraying will occur only with prior Maintenance Manager's approval of application, time, date, and location.
- Prior notification of principal or administrator when spraying is to occur on their grounds.
- All pesticide use will be recorded in the Annual Spray Record Book.
- Continue to use Integrated Pest Management program (IPM).
- Complete posting and notification requirements may be found in RCW 17.21.415.
- Request for records and annual summary may be obtained from the Maintenance Manager.

Copies of the Asbestos Hazard Emergency Response Act (AHERA) reports are available in the school offices in buildings that were built before 1988. If you have questions please contact the Maintenance Manager, at (360) 629-1235.

# Graduation and Testing, Skyward Family Access and Student Records

## **Graduation Requirements**

Starting in 2021, Students are required to earn [24 credits to graduate](#). Additionally, students must develop a [High School and Beyond Plan](#), and pass state tests showing achievement in basic skills or complete a state approved alternative to those tests. These requirements are set forth by the State of Washington and the Stanwood-Camano School District Board of Directors. In addition, each student needs to successfully complete Washington State History and Government coursework to graduate.

## **Standardized Testing**

The district gives standardized tests to evaluate student/school performance. The tests provide information that can be used to improve the learning environment in classrooms, to measure the effectiveness of curricula and to compare the achievement of SCSD students with students elsewhere in the state and nation. The [state requires testing](#) in grades 3-8 and 10 with the Smarter Balanced Assessment (SBA) for English Language Arts and Mathematics. Students in grades 5, 8 and 11 are also required to take the Washington Comprehensive Assessment of Science (WCAS). More information about state testing may be found at: <https://www.k12.wa.us/student-success/testing>. District and individual school performance may be viewed by visiting the [Washington State School Report](#) card website.

## **Skyward Family Access**

[Skyward Family Access](#) is a web-based tool giving parents and students Internet access to a variety of student information, including grades, attendance, class schedules, food service balance/history and immunization records.

If you need to sign up for Family Access or if you forgot your user name or password, call (360) 629-1319 for help from 7:00 a.m. to 3:15 p.m. or email [gherigstad@stanwood.wednet.edu](mailto:gherigstad@stanwood.wednet.edu)

## Graduation and Testing, Skyward Family Access and Student Records (continued)

### **Student Records**

Parents have a right to review their child's records by making a request to the school principal. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write to the school principal, clearly identify the part of the record they want changed and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

[Procedures 3231 Student Records](#)

## Parent and Community Involvement

### Community

The District may distribute youth-related materials that pertain to district or school-related activities and educational and recreational activities in the community. Community organization fliers are available on the District website in the [E-Flier Folder](#) and in school offices. If you would like to sign up to receive an email reminder each time the E-Flier Folder is updated, simply go to [www.stanwood.wednet.edu](http://www.stanwood.wednet.edu), click on [Families & Students/Community E-Fliers](#) then Subscribe to Receive E-Flier Folder Updates. The Stanwood-Camano School District does not sponsor or guarantee the information in any material provided by other organizations. For more information, call (360) 629-1200.

### Resolving Complaints

There may be a time when you are not satisfied with a decision or the way something was done. First, take your concern to the person closest to the situation. If you have a concern about something that took place in your child's classroom, for example, we ask that you first discuss the concern with the teacher or contact the school principal. You should not take your complaint directly to the Stanwood-Camano School Board. As a policy, the Board does not hear comments personally directed with students or employees during a regular meeting. [Procedures 4220P Complaints Concerning Staff or Programs](#)

### Volunteer Opportunities

Volunteers help the Stanwood-Camano School District become successful in educating children of our community. Parents and community members can volunteer to serve on a variety of committees, help teachers, tutor students, be a lunch buddy, or assist in a school office. For more information about any volunteer activity, please contact your neighborhood school. Volunteer applications must be completed and are available on the [District website](#) or at any school.

### Community Use of School Facilities

The public is encouraged to use school facilities for activities such as evening meetings and other uses. A fee may apply to help cover the cost of utilities and custodial services. To reserve a facility, contact the school where the facility is located to ensure it is available, complete a Facility Use Agreement and other applicable forms posted [here](#), and submit the forms to the school. Activities sponsored by the School District, including curricular and co-curricular functions, have first priority. For more information, call (360) 629-1200.

### School Performance Reports

According to the federal law commonly known as the "Every Student Succeeds Act," public schools must notify their community about the progress in educating young people. Student progress is measured by mandatory state tests.

Each school's website has a "Performance Report" button under their About Us/Annual School Performance Report tab leading to these test scores or you can click on [HERE](#) and enter your child's school. Scores are listed for the school as a whole and then divided into subgroups including: American Indian or Alaska Native, Asian or Pacific Islander, black, Hispanic, white, special education, limited English, and low income.

## Governance

### Board of Directors

The [Stanwood-Camano School Board](#) establishes policy for the School District, adopts the annual operating budgets, hires the Superintendent, employs school personnel as recommended by the Superintendent, and exercises other powers that are established by Washington State law. The Board of Directors consists of five citizens who reside within the school district area who are elected by voters to serve four-year terms in office.

### Board Meetings and Minutes

The Stanwood-Camano Board of Directors [meets on the first and third Tuesday of each month](#) throughout the year, with a few exceptions during holidays and breaks. The meeting on the first Tuesday of the month is held at 1:00 p.m. with some exceptions, and the meeting on the third Tuesday of the month is held at 6:00 p.m. with some exceptions. Meetings are held in the Administration & Resource Center Boardroom, 26920 Pioneer Hwy. Stanwood. Board meeting notifications are published in the local newspaper before each meeting. You can review the [agenda](#) and see related background material or [minutes](#) of past meetings at the District's website at School Board/ Meetings. For more information, call the Superintendent's office (360) 629-1222.

### Addressing a Concern

We encourage you to discuss the issue first with the person closest to the situation such as a teacher, guidance counselor, school principal, and, if necessary, the appropriate person at the Administration & Resource Center.

### Contacting Board Members

Citizens wishing to contact a Board member regarding policy, finances, or other responsibilities of the Board, may use one of the following contact methods:

- Email Board members (Email addresses found on the District website [School Board](#) page).
- Write a letter and mail or deliver to: Administration & Resource Center 26920 Pioneer Hwy Stanwood, 98292.
- Address the Board during the [public comment](#) period at a regular board meeting.

## [Governance \(continued\)](#)

### **Public Records**

The Stanwood-Camano School District affords the public full access to information concerning the administration and operations of the District, as provided by the state's Public Disclosure Law and the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment). Local practice is outlined in Board Policy [4040](#) and Procedure [4040P](#) which is available on the District's website under [School Board/Policies & Procedures](#). For more information, call (360) 629-1223. [Requesting Public Records](#)

### **School District Finances**

The money used to educate students in the Stanwood-Camano School District comes from three primary sources: the state of Washington, the federal government, and local property taxes. The School District receives about 75% of its operating revenue from the State, which appropriates money to school districts to fund basic education. The State money is allocated based on enrollment or the number of students served by special programs. The federal government provides some funding for activities such as special education, programs for disadvantaged students, programs for students who are learning English, and school lunches and breakfasts for low-income students.

About 16% of operating revenue is collected through a local tax levy approved by local voters. The levy money is used to pay for additional teachers and teacher salaries, transportation, maintenance, and student activities to name a few. A levy approved by voters in February 2020 allows the Stanwood-Camano School District to collect local levy funds until December 31, 2024.
