SUBJECT: Fee for Not Returning Chromebooks and Hotspots

DATE: June 1, 2021

TYPE: Action Required

Stanwood-Camano District made the decision not to charge families for accidental damage to Chromebooks to families during the COVID-19 pandemic. This decision was made in order to avoid causing undue hardship on families that may be facing various struggles. At the end of the school year, we will be asking all students and families to return their district issued Chromebook and hotspots. For those students who fail to return the devices, we are proposing a \$125 fee for unreturned Chromebooks and a \$25 fee for unreturned hotspots.

Recommendation: We recommend that the board move to approve the \$125 for unreturned Chromebooks and \$25 fee for unreturned hotspots.
